EXPERTISE

David Hitz is an associate based at our Zurich office, where he is a member of the firm's Intellectual Property, Litigation and Arbitration, and Technology and Outsourcing practice groups. David advises clients on intellectual property, technology and media law as well as intellectual property related M&A and commercial litigation in general. He also regularly represents clients in litigation before Swiss courts and in administrative matters before governmental authorities. David lectures as part of the CAS program 'Product Management' on the latest developments in the field of AI and the protection of intellectual property at University of Applied Sciences HWZ Zurich.
