EXPERTISE

Jutta Gangsted works as an associate in the Geneva office and is a member of the Private Clients group. She focuses on various aspects of international wealth and estate planning advising families across different generations, trustees and family offices in both contentious and non contentious cross-border Private Client matters. Prior to joining the firm, she worked in an American law firm abroad specializing in corporate law. She therefore also regularly reviews questions of international contract, corporate and commercial law including in the field of art-related questions.
