EXPERTISE

Larissa Baumann is responsible for the firm's library in Zurich and contributes to knowledge management projects. She previously worked mainly in public libraries, before joining our Zurich office in 2014 as a part-time librarian during her studies. Larissa is a trained librarian and finished her bachelor's in Information Science in 2018, taking over our library's management that same year.

EXPERIENCE PROFESSIONNELLE PARCOURS ACADÉMIQUE

2018 Bachelor in information science from University of applied sciences HTW Chur
2013 Federal certificate in information & documentation (2013)
