EXPERTISE

Daniel Brugger is a Senior Legal AI Advisor at our firm. In this role, he provides strategic and operational advice to the firm on the use of artificial intelligence and legal tech. He is also Head of Legal Tech/AI at the Institute for Law and Economics at the University of St.Gallen.

Daniel is the founder of several initiatives in the field of legal tech, including Onlinekommentar.ch and lusBubble.com, and was involved in the development of the first AI-based chatbot for a Swiss public authority. He is a member of the advisory board of the “JUKI – Judiciary and Artificial Intelligence” research project at the Universities of Basel and Zurich and regularly teaches at universities as well as in continuing education programs on topics related to AI and law. He also reports regularly as a podcaster on current developments at the interface of artificial intelligence and law.
