EXPERTISE

Delphine Meylan is a senior associate based at the firm's Geneva office. She specialises in banking and finance law, with a focus on asset management and derivatives transactions. Her experience includes regulatory advice around the granting of licenses by the Swiss financial market supervisory authority, onshore and offshore marketing of financial instruments, the structuring of financial products, derivatives advisory work (including OTC and ETD, cleared and prime brokerage arrangements, spot FX, repos and crypto currencies), netting, collateral and defaults. Delphine's clients include banks, hedge funds, pension funds and corporates. Delphine also holds an LL.M. in corporation law from NYU School of Law.
