EXPERTISE

Firat Inan works in finance and accounting at our Geneva office, having joined the firm in 2011 after more than 11 years as a supplier accountant. Firat is responsible for ensuring the efficiency and security of the payment process for supplier and firm invoices. His role also includes: overseeing operations concerning customers, general and analytical accounting, controlling expenses, banking relationships, improving accounting and cost-controlling procedures within the firm, and assisting with budget monitoring and cost control.
