EXPERTISE

Jolien Uiker is an assistant in the litigation and arbitration team in our Zurich office. She completed her apprenticeship at the firm and was able to gather experience from working in various other teams, before joining Harold Frey's team. Before starting her apprenticeship, she spent a year in the USA as a foreign exchange student. In addition to her work, Jolien is currently studying for a Professional Matura in economics with the bilingual option.

LANGUAGES

German, French, English
