EXPERTISE

Leo Rusterholz is an associate based at our Zurich office, where he is a member of the Technology and Outsourcing, Internal Investigations, Corporate and M&A, and Banking and Finance groups. Leo practices in the fields of data privacy and data breach investigations and technology, media and telecommunications, as well as corporate and regulatory law. In addition to data protection, data compliance, cyber security and technology and outsourcing transactions, he also advises domestic and international clients on transitional services, licence, distribution and e-commerce matters. Leo regularly publishes in these fields of practice and previously gained valuable experience working for a leading US-based law firm in New York, San Francisco and Palo Alto.
