EXPERTISE

Walter Bader is an office manager at our Zurich office, having joined Lenz & Staehelin in 2016. He started his career as a controller in an industrial company in Liechtenstein. In 1994, he joined a major American IT service company as a finance manager. For over 20 years, Walter then served as a country controller and director of finance and administration for the biggest IT companies in Switzerland, before being appointed country controller for an American insurance broker in Switzerland.

PROFESSIONAL EXPERIENCE AND EDUCATION

1989 Higher School of Economics and Business Administration, St.Gallen (Betriebsökonom HWV/FH)
